Section 12.2 is Deleted.

Section 16 is Added as Follows:

16. QUALIFICATION:

- 16.1 This regatta is a qualifier for the Great Lakes Championship, the Atlantic Coast Championship and the Shepherd Championship.
- 16.2 The overall regatta winner, which may be from any MISSA area, earns a berth to the Atlantic Coast Championship held in Toms River, New Jersey on November 9th – 10th.
- 16.3 The top four schools who have not previously accepted a berth to Great Lakes Championship will earn berths to the Great Lakes Championship held at Chicago Yacht Club November 9th – 10th.
- 16.4 The top four school who had not previously qualified for either Great Lakes or Shepherd are guaranteed a berth at the Shepherd Championship at Columbia Yacht Club, November 9th – 10th, providing they accept the berth per MISSA Rule 5.11.
- 16.5 A school may only earn one berth to each of the regattas for which this is a qualifier. If a school would qualify for multiple berths to any regatta based on the results of the two Great Lakes Qualifiers the weekend of October 26th-27th, the school may only accept the berth from the qualifying event at the location with the shortest straight-line distance to the school's practice location.
- 16.6 Schools that have previously qualified for a championship may not earn another berth to that same event. However, schools that have accepted a berth to Great Lakes Championship based on qualifiers the weekend of October 12th-13th may qualify for ACCs at this event, and will be allowed to attend both the ACCs and Great Lakes Championship. Schools that have accepted a berth to Shepherd Championship based on qualifiers the weekend of October 12th-13th may earn a berth to Great Lakes Championship the weekend of October 27th-28th, but must vacate their Shepherd berth, as the Shepherd Championship is open only to schools not attending the Great Lakes Championship or the ACCs.
- 16.7 Berths must be accepted in accordance with MISSA District Rule 5.11. Great Lakes Championship and ACC berths not accepted by the deadline will be offered by the MISSA President to the next team in line based on qualifier results. Shepherd berths not accepted by the deadline will revert to at-large waitlist berths.
