**2020 Michigan State
Singlehanded Championships
NOR Supplement - COVID-19 Guidelines**

It cannot be understated how important these guidelines are to your health and the health of everyone involved in this event. The success of this event depends on you. Please view these rules and guidelines as mandatory.

RULES

- 1) Any person entering any the CSYC clubhouse building must wear a facemask.
 - Even if you're the only person in the room or building.
 - Even if you're only going in "just for a second."
 - This rule specifically includes the bathroom.
- 2) You should only enter the CSYC clubhouse building to use the bathroom or travel to the balcony.
- 3) Any outdoor contact within six feet of another person requires a face mask.

GUIDELINES

- 1) Please wear your buff in the mask position until you are on the water.
- 2) Please maintain distance from your fellow competitors during the daily skipper's meeting and any protest hearing.
- 3) When there is doubt in your mind, please take your penalty on the water to avoid protest hearings on land altogether.

WATER

To avoid the spread of COVID, please be aware that there are no common-use water filling stations for competitors or coaches to utilize. Race management will purchase single-use water bottles -- good to stop the spread, bad for the environment. There is no winning on that front.

If you are coming from your home or a place with a dependably-safe water supply, we ask that you bring the water you will need for the day. If not, there will be cold water bottles for you to consume. Either way, we will ensure that nobody will dehydrate due to COVID precautions.
