

We are looking forward to having everyone on Saturday. Please note that our club will not be serving lunch. Plan to bring lunch with you or order from local options. Door dash and delivery are available from many. Also, there are some local restaurants less than a mile in town (Woody's Crab House, Steak on Main).

We will have a bake sale in the morning to help raise funds for our sailing program, so please bring cash if you would like to support.

Chipotle:
