PENALTIES FOR DAMAGE RESULTING FROM CONTACT BETWEEN BOATS RACING

This addendum explains how damage will be assessed and prescribes the appropriate level of penalties. The Protest Committee may impose additional penalties if it has good reasons to do so. There are a number of things we are trying to achieve with penalties for damage:

- Minimize damage to keep costs down and avoid delays while boats are repaired.
- Ensure that penalties are consistent and fit the breach.
- Keep race results 'on the water'.

Damage Levels

Level	Extent	Effect
Level A – Minor Damage	Up to 1 man-hour to fix	Boat may race without repair
Level B – Significant damage	More than 1 and up to 5 man-hours to fix	Boat may need some (temporary) work before racing again
Level C – Major Damage	More than 5 man-hours to fix	Significant work required before racing again

Deductions from Damage Deposits

Any deductions from damage deposits are a matter for the Organizing Authority and do not affect any race results.
