3. FORMAT

This will be a two-division regatta; teams will sail two races as a set, then direct swap rotate through the boats per a rotation posted on the day of the event. In order to direct swap we must have an even number of boats in varsity fleets. In the event an odd number of varsity teams register the last school to register by the deadline will be invited to race JV. Due to waterfront dock damage after Hurricane Irma, we have a smaller footprint of floating dock to rotate and a direct swap will quicken the rotations. A Sound Signal Starting System shall be used. Competitors should expect numerous short races of 15-20 min in duration with boat rotations as set forth at the skipper's meeting. It shall be the goal of the race committee to complete as many competitive races as possible. Three races in each division must be completed to constitute a regatta. All coaching, including instruction, assistance, equipment or sustenance shall be provided only on shore or on a designated vessel on the water.

4. SCORING

4.1 Low point system for individual races as modified by ISSA Rule 9. Ties will be resolved per procedural rule 11(c).

4.2 Protests hearings, if any, may take place between races. We will attempt to post preliminary results in real time between races.

4.3 Race Participation (RP) Forms must be completed on Techscore per team. The team representative must have the online form completed 30 minutes after fleet returns to the dock. Incomplete forms and/or substitution issues can result in penalties ranging from disqualification to 20 additional points.

7.2 All teams must be members in good standing with SAISA. If a team wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in. All schools must be members in good standing with SAISA. If a school wishes to participate, and has not yet paid the ISSA/SAISA dues, they will be provided the opportunity to pay dues at check-in as long as they have an online "Pending" status and their online team roster matches the venues regatta registration list. A team is composed of one or more ISSA/SAISA registered sailors attending a high school full time.

7.3 Registration is on a first paid/first allowed basis with a maximum number of varsity teams limited to 30 boats, which will be supplied by Ransom Everglades School.

7.4 Competitors must attend the school they represent full time and must be in the 9-12 grades, as of the date of the Regatta and must be listed on their ISSA/SAISA online team roster.

7.5 An adult school representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor, coach, or parent, is expected to have full authority to obtain medical treatment for his team members and have the ability to monitor his/her teams' experience in their proficiency to sail in varied conditions as may be encountered.

7.6 Eligible SAISA schools with 12 or more sailors may enter both varsity and JV teams, however only the varsity team score will be used to determine the event's usable scores. A JV team from eligible schools may also be entered only when pre-approved by SAISA and the venue. JV teams will use the boat they bring and not rotate to other boats. All schools shall be members in good standing with SAISA.

8. SAILING INSTRUCTIONS

Sailing Instructions will be available upon check-in.

9. BOATS

Collegiate 420's will be used. 30 boats will be provided for varsity fleets by the venue, Ransom Everglades School. We have just commissioned 18 new Laser Performance collegiate 420's and still have our competitive existing fleet of 15 LP 420 boats. We have evenly used identical LP collegiate sails for all 30 boats. We are excited that this will make for very fair racing. JV must bring their own boat.

10. RACING AREA

The regatta will be held on Biscayne Bay, East of the Ransom Everglades campus. The sailing area is South and West of the entrance to Dinner Key Channel, close to the Ransom Everglades campus on charts of Biscayne Bay.

11. LUNCHES

Plan to bring your own lunch. The use of disposable plastic water bottles is HIGHLY DISCOURAGED. Large Igloo containers of ice water will be available to all competitors, coaches, and spectators for refilling your re-usable canister (e.g. Nalgene).

12. DAMAGE

Damage that requires more than normal maintenance is considered a serious incident. If the Regatta Chairman determines that reasonable care was not used and resulted in damage one or both boats may be disqualified regardless of any alternative penalties already taken. In extreme cases, either or both boats (skipper & crew) may be excluded from the rest of the regatta and held financially responsible for the damages. Due to varied conditions that may be encountered, and the skill level of individual sailors and teams, it is the advisor &/or coaches' decision to sail and participate and their Decision to Race.
