### RACING AREA & VIEWING

The racing area is in San Diego Bay, just south of the Pacific Rim Park, on the southwest end of Shelter Island. See the red circle on the map below.

A large rotation dock will be anchored near the racing area for rotations. Coaches and sailors will be stationed on the rotation dock. Shuttles will be provided to the Pacific Rim park for sailors to use restrooms. Teams/Spectators can set up chairs/tents/food on the lawn in the Pacific Rim park. The racing will be 100 yards from the park. Public parking is available on Shelter Island, a 5 minute walk from the venue.

*Note the Kona Kai Resort is 100 yards from the sailing venue. Kona Kai would be an ideal place to stay for the event. It is a short walk to the viewing area from the Kona Kai. A list of other nearby hotels is available on the [event website](#).*

Visit this Google Map link to [Pacific Rim Park](#) on Shelter Island for the exact location.
