

MISSA Baker Qualifier League Allocations 2021

Updated: April 9, 2021

As of the registration deadline for the League Pre-Qualifiers, there were 4 West teams, 12 Central teams, and 15 East teams registered. However, 3 of the Central teams withdrew after registration, so the berths are allocated as follows:

	SCHOOLS	Percent of Total	Share of 10	MISSA Baker Berths
WEST	4	14.3%	1.43	2
CENTRAL	9	32.1%	3.21	3
EAST	15	53.6%	5.36	5
TOTAL	28	100%	10.00	10

By agreement within the East League, 3 of the berths will be awarded at the Michigan pre-qualifier and 2 will be awarded at the Ohio pre-qualifer.

These allocations are subject to further adjustment if there are additional withdrawals or no-shows at any of the League Pre-Qualifiers.
