7. SAILING AREA/LAUNCHING

The sailing area for all fleets will be in Banks Channel, immediately off of the CYC docks.

There will be one race course with different starts for high school and college teams.

From 1200 hours on Friday, April 14 - 1830 hours on Sunday, April 16, boat trailers may be parked in the north lot adjacent to the CYC main parking lot. Boats may be kept on dollies in the CYC sound side lot. CYC security cameras do cover these areas.

Boat rotations will be done off the CYC sound side docks. Sailors will rotate into the next boat in the sequence every 2 races and when switching divisions. No on-water coaching is permitted. Coaching and spectating will be done from the sound side lot.

8. PARTICIPATION

All teams must complete the online RP forms in Tech Score. Failure to comply will result in penalties.

Team pinnies must be worn. A 20-point penalty will be applied to the division in which the sailors did not comply, per ISSA PR. 4.3 (a). No hearing is required.

With the exception of RRS Rule 4, each school shall compete in all scheduled races, or if unable to compete, shall take care of their assigned boat in each race. Any school breaking this rule without permission of the Race Committee is subject to severe disciplinary actions by the ICSEA.

All sailors should bring their own refillable water bottles. Water refill stations will be available.

9. COACHING

Team leaders, chaperones, coaches, parents, advisors and other team support personnel shall not go afloat from 0600 Saturday, April 15th to after racing has ended on Sunday unless explicitly permitted by the regatta organizer. The penalty for failing to comply with this requirement may be the disqualification of all boats, competitors and teams associated with the infringing support personnel.

For high school teams, an adult school representative/advisor is required to accompany each team and be responsible for their conduct on and off the water. The team representative, who may be an advisor,

coach or parent, is expected to have full authority to obtain medical treatment for team members and the ability to access the team's proficiency to sail in varied conditions that may be encountered.

10. SCORING

The regatta will be scored in accordance with ISSA Procedural Rules. There will be no throw outs. This regatta will use electronic RP Forms using the TechScore program. Scores can be viewed through TechScore.

An alleged breach of this procedural rule shall not be grounds for a protest. This changes RRS 60.1(a). However, when a report is received from any source, alleging such a breach a protest committee consisting of the regatta chairperson, a member of the ISSA Board of Directors, and the chairperson of the protest committee, shall follow the process described in RRS 69.1(b). If a hearing under RRS 69 is held, a competitor found to have breached this procedural rule shall be excluded from the remaining races of the series and, where practical, be removed from the regatta venues and sent home. Additional penalties consistent with RRS 69.2 may be imposed on the competitor or the competitor's team. This regulation is in effect during the entire event from the date and time of arrival through the date and time of departure from the regatta site.

Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.
